

## Intro Basic Info

- 2-hour and 4-hour Intro classes can be offered face-to-face or via webinar.
- In Instructor Resources, there are outlines offered with course objectives and timeframes. For CEs, the objectives need to be met, not the specific time frames.
- CEs can be offered for 2-hr. and 4-hr. face-to-face and 2-hr. webinar. We are applying for the 4-hr. webinar.
  - o Cost for CEs: \$5 TFHKA registration, \$5.50 for CE certificate = \$10.50 per student
  - o These classes can be offered without CEs.
- There is a hard copy Intro manual that can be purchased and used for **either course** but is NOT required.
  - o 10-pack costs \$50.95
  - o We would like to produce this Intro manual in a locked pdf format that could be used for online classes. Anyone with knowledge of how to create this type of document, please get in touch and help us with it.

The **course resources** should be available on the website **next week**, and can be found at:

1. Go to [touchforhealth.us](http://touchforhealth.us)
2. Scroll down to bottom right, click “Instructor Resources”
3. Input your email address and password
4. There are a number of resources found here, including the Intro class materials.

For a pack of 10 **Intro to TFH Manuals**, go to:

<https://www.touchforhealth.us/product-page/introduction-to-touch-for-health-manual-pack-of-10>

5. Go to [touchforhealth.us](https://www.touchforhealth.us)
6. Scroll down to bottom right, click “Purchase Class Material”
7. Input code: **Instructor**
8. Purchase Intro to TFH Manuals (\$50.95 for a pack of 10)
