

WELCOME to the TOUCH for HEALTH KINESIOLOGY ASSOCIATION

Touch for Health is an international program that has been growing since the 1970's and today is found in over 60 countries. As you learn TFH, know that you are a part of a global effort to create Balance, Harmony and Wellbeing in our world.

As a Students or Professional, get involved with TFHKA at the membership level providing the benefits most useful for you. **Students will receive a 6-month complimentary membership.**

TFHKA is a community that links together people from all over the USA and beyond, united in their interests for powerful healing techniques that create a healthier, happier wellbeing. Maintaining self-responsibility as the key. When you become a member of the Association, you are a part of something bigger than just taking a class! We welcome you to the association!

Touch For Health Kinesiology Association

The Touch for Health Kinesiology Association (TFHKA) is a non-profit, member run, national organization, dedicated educating the public about Touch for Health, a wellness system of holistic self-care and therapeutic balancing.

In cooperation with the International Kinesiology College (IKC) in Australia, TFHKA supervises and maintains educational standards of Touch for Health in the United States.
